Dear Friend of **STOMP THE MONSTER**,

Thanks to your amazing generosity, our 5th Annual “Life Is Sweet” Gala Benefit was a huge success, raising \$142,000! Your donation and support go beyond fulfilling our goals as an organization — they show you care.

At STM, about 90% of every net dollar raised goes directly back to cancer patients and their families. To see how your contribution is making a difference, please visit **STOMPTHEMONSTER.ORG**.

Because of you, hundreds of families will receive assistance from **STOMP THE MONSTER**. Friends with cancer need our continued support, and we can only do what we do because of supporters like you. Your compassion for those in need is greatly appreciated and we look forward to working with you again next year.

Our sincerest thanks!

Jessica Baldes and Margie Grumet,
GALA COMMITTEE CO-CHAIRS
