### SPORTSMEN FOR CHARITY, INC.

Sportsmen for Charity was founded in 2002 by 5 members of the New York area real estate and construction industry for the simple purposes of:

- Promoting the Shooting Sports
- Developing camaraderie among members of the industry
- Giving back to society by contributing to charity

At the first meeting, the founders quickly came together behind the effort to hold a sporting clays event to benefit St. Jude Children's Research Hospital. It was an outstanding success for St. Jude and all the participants. Since then the Sportsmen for Charity have repeated their success with numerous charities and continue that tradition today inviting you to participate in an unforgettable day of shooting camaraderie and giving back to the community.
